Thirteen years ago I told you that I hope you'd
always be as sweet, kind hearted, and thoughtful
as you were in kindergarten. You were SUCH a
bright light back then, and I have no doubt that you
are still that person today, but bigger and better! I
am SO proud of the beautiful, kind, smart person
you have become. I wish I could be there to watch
you take this next big step in your life! Now go do
BIG things, because I know you will.

I love you AG!

Love,

Your favorite teacher
