Flower Requests: Could we please make this into a bouquet? A co worker of ours is getting married at the court house tomorrow (very low key) We wanted to do this as a gift to the bride. We were thinking she could use it as a bouquet or in a vase if she didn't want to hold it for the ceremony/pictures. The groom can pick it up in the morning if it will be available? Please feel free to call me with any questions. 205-807-6366 Alex Tedrow
